# Certificate of Approval

This is to certify that the Management System of:

## Alloy Wire International Limited

Unit 5a Narrowboat Way, Brierley Hill, DY5 1UF, United Kingdom

has been approved by LRQA to the following standards:

**ISO 19443:2018**

Approval Number(s): ISO 19443 – 00052427

**The scope of this approval is applicable to:**

The manufacture of round and profile wires in nickel, cobalt and titanium based alloys and stainless steel grades for use within components, for seals and for springs where performance and safety is critical in high temperature and corrosive situations in the nuclear industry.
